

who we are

Welcome to Truth Generation, Calvary Chapel Costa Mesa's Children's Ministry. In our Children's Ministry, we have the privilege of ministering to your children. Our vision is to enable them to "always be ready to give a defense," in a world where false views and philosophies are standing against the inerrancy of God's infallible Word (1 Peter 3:15).

Our goal is to provide a place where your children can learn, develop, and stand firmly on their own faith. Our hope is that they will not only believe that God's Word is true, but also comprehend the great love He has for them.

Through the careful study of the Scriptures, your children's faith will be strengthened. We desire that they will develop a loving relationship with God and be able to trust and stand firmly on His Word. We pray that through the years as we have your children, they will become a part of a generation of believers who stand firmly on God's truth and live their lives in a way that pleases Him.

children's ministry check-in process

1 check-in

An adult can check-in your children at one of the conveniently located check-in kiosks in the courtyard.

2 key tags

You will be given a key tag with a barcode to check-in your children, and we encourage you to use this key tag whenever you are checking in your children. If you happen to forget it, you may also use the last four digits of your phone number or your last name to check-in.

3 printed tags

Upon check-in, each child will receive two adhesive name tags for each service they attend. One tag will be placed prominently on your child. For children three and under, please place the name tag on their back. Each child must have a name tag to enter the classroom. The other name tag will be given to the teacher in the classroom for the class roster. In addition, you will receive a claim check with a unique number that matches your child's or children's name tags. You will also have the option to have an item tag printed out for diaper bags and other personal belongings

4 classroom

Each child must be taken to their assigned classroom by an adult and handed over to a Children's Ministry teacher. Your child's classroom number will be printed on their name tag.

5 check-out

When picking up your child, go directly to your child's classroom. An adult must present the claim check to pick up your child. Your child's teacher will match the unique code on your child's name tag with the one on your claim check. Once the match is verified, your child will be released to you. Keep your claim check, as you will need it to pick up all of your children.
